

# Let's Keep Clarkstown Clean

Dear Resident:

We all have a stake in keeping Clarkstown clean. That's why our Town developed a comprehensive program for Household Garbage Collection, Bulk Pick-Up, Yard Waste, and Recycling.

This guide explains all of the details for Household Garbage and Bulk Pick-Up only. Separate mailers will explain the rules for Loose Leaf and Yard Waste Pick-Ups.

We have also provided phone numbers for additional information or questions about other waste disposal programs. Following the simple rules in this guide will help all of us do our part in keeping Clarkstown beautiful.

Thank you,

*George Hoehmann*

# Household Garbage Collection

## Collection Timing

Collection of household garbage is performed twice a week on the following two days: Monday/Thursday; Tuesday/Friday; or Wednesday/Saturday.

## Collection Sticker

Each home (1, 2, & 3 family only) is issued one official garbage collection sticker by the Tax Assessor's Office. The sticker must be placed on the household garbage container. Additional stickers are available for a fee.

## Garbage Container Placement

Our contract with the garbage carters provides for "side door pick-up" up to 125 feet from the street, or you may place your garbage containers on the curb. If you choose to place your container at the curb for pick-up, you are responsible for removing the container from the curb after pick-up.

## Garbage Collection Rules

- ▶ **Collection Sticker On**  
Only containers with stickers will be picked up.
- ▶ **Covered Container**  
Each container must be covered.
- ▶ **Weight**  
Containers cannot exceed 48 gal. or 60 lbs. of garbage.
- ▶ **Bagged + Contained**  
All garbage must be bagged and placed inside the covered container.
- ▶ **Ready for Pick-Up**  
Covered containers must be placed outside the night before the scheduled pick-up.
- ▶ **Removed**  
Remove the empty container from the curb after each collection.
